## Pottery Painting & Events at Potters Barn

Creating your own masterpiece is easy, fun and simple, and the best bit is it's for all ages, not just children. Please take a look around the shelves and help yourself - the hardest part is choosing! The price you see on the pottery includes the painting, firing and glazing.

Once you have chosen your piece of pottery a member of staff will explain what to do with the paints and show you how to use the stencils.

When you've finished, leave it with us at the cafe for the week and we will fire and glaze it for you. If you can't get back for your pottery we can arrange to post it for you for a small charge to cover the postage and packing.

We also do pottery painting parties for birthdays of any age! Hen do's, baby showers and any other special occasion you can think of. Please ask for more details regarding prices and booking. For evening bookings parties must be 10 people or over.

We have a gift shop full of all sorts. A selection of locally made produce, alongside ideas for the home and painted pottery, great cards for every occasion plus unique gifts. Come and take a look, we change our stock throughout the year and you'll always be able to find something for you or a friend.

Regular evening events such as acoustic nights, story telling for adults, wine-tasting and much more.

**Keep an eye on the website for upcoming events!**
